Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Thursday 05 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Scattered heavy, thundery showers Friday. Some strong coastal winds.

This Evening and Tonight:
Scattered showers are expected to continue overnight but there will also be some clearer, drier interludes as well. Breezy conditions will persist around coastal areas. Minimum temperature 14 deg C (57 deg F).

Friday:
Scattered showers turning heavy into the afternoon with a chance of thunder, however also some sunny spells. Breezy, especially along the south coast where some strong winds at times. Maximum temperature 22 deg C (72 deg F).

Outlook for Saturday to Monday:
Frequent heavy and thundery showers over the weekend, and breezy, especially around the coast. Temperatures slightly below normal. Showers become more scattered and less heavy on Monday.
